Deputy Insurance Commissioner

Dear Mr. Odiome,

We have received the draft of reports of examination of Grange Insurance Association and Rocky Mountain Fire and Casualty Company as of December 31, 2001.

After review of the documents we find that we are in substantial agreement with the report with minor modifications. In the interests of accuracy there are several areas we believe need corrections or clarification, which I will address. Our response is as follows:

Your cover letter refers to the examinations for Grange Insurance Association and Rocky Mountain Fire and Casualty Company as of December 31, 2000. We believe the correct date is December 31, 2001 as reflected on the title sheets of the Report of Examination directly above the State Seal for both companies.

GRANGE INSURANCE ASSOCIATION

Scope of Examination:

1. Intercompany Service Agreement – GIA will update the Intercompany Service Agreement as specified in RCW 48.31B 030(1)(b)(iv) and will submit the agreement to the Washington OIC for approval.
2. Outstanding checks – The liability for outstanding checks will be netted with the Cash account in accordance with SSAP #2 and RCW 48.05.073 effective January 1, 2003.

3. Guarantee Assessment – The Company will record Guarantee Fund Assessments as a receivable for future premium tax offsets where appropriate.
4. Real Estate - Properties occupied by the company – We will either obtain a special consent from the commissioner to report our condominium as an admitted asset, or non-admit the carrying value of the condominium in our financial statements beginning in 2003.
5. Imputed Office Rent – The Company will review, and recalculate if necessary, the current rent expense allocated to Rocky Mountain Fire & Casualty Company for office space.

Comments & Recommendations:

1. Custodial Account and Agreement – We will revise our Custody Agreement with US Bank to comply with the provisions as stated in the NAIC Financial Condition Examiners Handbook.

Page 6. MEMBERS. Paragraph two refers to Article V, Section I of the Bylaws as providing that “the annual meeting of the Association members shall be held at the same time and place as that meeting of the Washington State Grange Convention. Fifty (50) Association members, excluding Directors, shall constitute a Quorum at any annual or regular meeting, with each member having a personal vote (proxy voting not allowed) upon any matter coming before such meeting.” “Regular” meeting should read “Special” meeting.

In April of 1999 at a Special Meeting of the Members held in Yakima, the members voted to amend the Bylaws to allow voting by proxy. “Article V Sec. 4. VOTING. A member of the Association may vote in person or by proxy given another member on any matter coming before the annual or any special meeting of members. An officer or the Association shall not hold or vote the proxy of any member.” In June of 1999, at the annual meeting of members, the members voted to amend the Bylaws to hold the annual meeting at the Home Office on the third Monday of March at 10:00 a.m. “Article V Sec. 1. ANNUAL MEETING. The annual meeting of the members of the Association shall be held either (a) at the Home Office of Grange Insurance Association, 200 Cedar Street, Seattle, Washington, on the third Monday of March at 10:00 a.m., but if such day shall be a legal holiday, the meeting shall be held at the same hour and place on the next succeeding day not a holiday, or (b) at such other place and time which may be within or without the State of Washington, as may be determined by the Board of Directors and specified in the Notice of the Meeting...” These amendments were stamped “filed October 22, 1999 with the Office of the Insurance Commissioner of the State of Washington.

I would recommend paragraph two be changed to read “Article V, Section I, of the Bylaws, further provides that the annual meeting of the Association members shall be held at the Home Office on the third Monday of March. Fifty (50) Association members,

excluding directors, shall constitute quorum at any regular or special meeting, with each member having a personal vote in person or by proxy upon any matter coming before such meeting.”

Page 9. INTERNAL SECURITY. Conflict of Interest. The President does not review the Conflict of Interest statements. Therefore that section should read “The Corporate Secretary, and Executive Vice President review the Conflict of Interest Statements...”

Page 15. SUBSEQUENT EVENTS 1. Paid in Capital. Lana Monfort’s letter of May 17, 2002 expressed concern about the financial condition of Rocky Mountain Fire & Casualty Company and the desire to monitor RMF&C more closely. The Board authorized an \$8.37 million transfer to RMF&C, which was completed in June. We would like to see “at the current annual level of written premium” added to the end of the first sentence of the paragraph so that it reads “In the Board Minutes of June 21, 2002, it was noted that OIC had notified RMF&C that their surplus was not adequate to continue writing business at the current annual level of written premium.”

Page 15. SUBSEQUENT EVENTS 2. Reinsurance. The retention level was increased to \$350,000 and the premium rates also increased. The sentence should read “The reinsurance limit for the Intercompany reinsurance agreement with RMF&C increased to \$350,000 and the premium rates also increased.”

Page 16. SUBSEQUENT EVENTS 3. New Business from failed Oregon’s Grange. The paragraph states GIA agreed to accept business and agents from GMIC. In the interests of clarity I recommend modifying the sentence to read “ Subsequently, GIA agreed to accept a limited amount of business and 3 agents from GMIC.

Page 16. SUBSEQUENT EVENTS 4. Investments. In the interests of clarity I would add to the paragraph “The Tyco bond has recovered to \$935,000 at the end of 2002.” The paragraph would then read “The Association holds a \$1 million bond in Tyco which has been downgraded to non investment grade by the NIAC Securities Valuations Office (SVO) on 6-28-02 the NAIC assigned a ‘3’ rating and its value was \$769,359. This information was taken from the SVO’s disk distributed as of June 30, 2002. This bond was purchased in 2001 at a discount. The Tyco bond has subsequently recovered to \$935,000 at the end of 2002.”

That is the extent of our comments on the draft report. We thank you for the opportunity to respond.

Attached is a current list of Directors and their addresses where copies of the final report may be sent.

President Ben Metzler's name does not appear on the list because he and his family are involved in a litigated issue with the company and because of this serious conflict of interest is on a leave of absence from his duties as President and Director. Therefore, he should not receive a copy of this report until his conflict of interest is resolved and he can return to his duties.

Sincerely,

David E. Suver, CPCU
Corporate Secretary
